

Andrew Kang

Founder & CEO of CHER Online

"SIMCC and STS are excited to partner with Andrew's team to do good and help more students and teachers acquire skills and recognition for success by training top students from our partner countries to vie for Singapore MOE Scholarships. CHER Online will also train overseas students for the Singapore MOE Admissions Exercise for International Students (AEIS) to qualify for Singapore MOE schools at an affordable cost." Henry Ong, STS President.
